Important Notice

Type of work environment, exposure conditions and maintenance have an impact on reflective performance. Please test each tape according to appropriate care instructions required for the garment.

High-visibility clothing made with reflective material should be maintained in good condition and inspected regularly for damage or deterioration.

Description

Segmented Dark Grey heat transfer reflective trim with excellent retro-reflectivity. Features extra breathability due to segmented design. It is recommended to use for EN 20471 knit clothing to have safe, functional and comfortable workwear. By means of a heat press or by simple ironing you can add this reflective trim to workwear adding safety and style at work.

Product Construction

Features extra breathability due to segmented design.

It is recommended to use for EN 20471 knit clothing to have safe, functional and comfortable workwear.

Product Detailed Information

Material 100% Polyester

Finish -

Colour Dark Grey

Industrial wash -

Roll, Width 50 mm

Roll, Length 100 meters

Roll, Weight 1.55 kgs

Product Certifications

NFPA 2112 -
