

REFLECTIVE TAPE	Backling	EN 20471	EN 469	Domestic or Industrial wash
<b>XM-6023TT PRO</b>	Grossgrain ribbon			50+ WASH

## Description

Yellow/Orange-Silver and grossgrain reflective ribbon trim becomes very popular for safety vests. It is made with high-grade reflective tape thermo-transferred onto colour grossgrain backing. The trim lets you customize your work clothing and increase safety of workers. You may choose the width of Silver stripe as well as the width and colour of backing.

## Product Construction

This Reflective Material is a Polyester Fabric coated with a layer of resin with numerous glass micro-lenses impregnated with a special glue into this layer. The light reflects from these micro-lenses and comes back to a car (or other source of light) making the person wearing reflective tape more visual in the dark.
